A screenshot of the 'Add Account' dialog box in Outlook. The dialog has a blue title bar with the text 'Add Account' and a close button. Below the title bar, there is a section for 'Auto Account Setup' with the text 'Outlook can automatically configure many email accounts.' and a mouse cursor pointing to a star icon. The main area of the dialog is divided into two sections. The first section is 'E-mail Account', which is selected with a radio button. It contains four input fields: 'Your Name' (with an example 'Ellen Adams'), 'E-mail Address' (with an example 'ellen@contoso.com'), 'Password', and 'Retype Password'. Below these fields is the instruction 'Type the password your Internet service provider has given you.' The second section is 'Manual setup or additional server types', which is not selected. At the bottom right of the dialog, there are three buttons: '< Back', 'Next >', and 'Cancel'.
