

TUŠEK, Darovan (Split, 1954), architect, Full Professor (Tenure). He graduated (1978) and achieved Ph.D. (1993) at the Faculty of Architecture, University of Zagreb. From 1979. to 1988. he was employed in the Design Office Lavčević in Split; from 1985. to 1988. he was a Technical director of the same Office. Since 1989. till today he has been employed at the Faculty of Civil Engineering, University of Split (today: Faculty of Civil Engineering, Architecture and Geodesy, University of Split). He was elected full-time professor in 2006. From 1999. to 2019. he was the Chief of the Department of Buildings. With arch. Ivana Šverko he established the University Study of Architecture and Urban Planning; after that, for next seven years he was the Vice-dean of this Study. He is a professor of several courses at the undergraduate and graduate degree of the Study (Modern Architecture, Croatian Architecture of the 20th Century, etc). – His science research is focused on the history and theory of the modern and the contemporary Croatian architecture. He published five books about the architectural competitions held in Split from 1918. to 2022, the monography of the architect Dinko Vesanović, as well as “The Lexicon of Modern Architecture of the City of Split”. He was editor-in-chief of several publications and the author of the papers dealing with the Croatian modern architecture. – He designed several residential and industrial buildings in Split, Šibenik and Knin, as well as the 2nd phase of the building of the Faculty of Electrical Engineering, Mechanical Engineering and Shipbuilding, University of Split (2007). – He was the President of the Society of Architects of Split (1998-1999). – He is a member of the Croatian Academy of Technical Sciences, of the Academy of Architectural Arts and Sciences of Croatia and the member of the scientific council of the Croatian Academy of Sciences and Arts for the architecture and urban planning. – Two times he won the Neven Šegvić Award of the Association of Croatian Architects for theoretical works and science research (1996, 2018); besides that, he was awarded with the Plaque for the development of the Association of Croatian Architects (2008), the Plaque for outstanding contribution to the development of the University of Split (2011), and the plaque for the development of the Study of Architecture and Urban Planning of the Faculty of Civil Engineering, Architecture and Geodesy, University of Split (2021).
